Rick Caruso

Founder and Executive Chairman | Caruso

A Conversation with Rick Caruso

Founder of one of the largest privately held real estate companies in the U.S., Rick will share his experience adopting a successful strategy for development: imaginative retail and mixed-use destinations.

Gene Deering

Principal | Radius Commercial Real Estate

State Street: Running of the Bulls

Gene is a principal at Radius Commercial Real Estate and a UCSB Economics alum. Gene will bring his nearly two decades of local commercial real estate and business experience to give us the latest on the state of State Street.

Peter Rupert

Director | UC Santa Barbara Economic Forecast Project

Economic Update

Peter is the director of the Economic Forecast Project and a professor in the UCSB Department of Economics. He is also associate director of the UCSB Laboratory for Aggregate Economics and Finance with Nobel Laureate, Finn Kydland.
